2. List No. I contains the names of the graduate applicants - and they are 22 in number. List No. II contains the names of the other applicants who have appeared for the B.A. examination of this year - and they are 34 in number. The total number of applicants is thus 56.

3. Of the 22 candidates included in List I, 21 are within the age limit prescribed by the rules. The other applicant, viz., Mr. T.D.Ramaiya has applied for exemption from the prescribed age limit on the ground that he will be more than 25 years of age on the date of the examination by only 40 days. His case is now before the Dewan.

Two other candidates have applied for similar exemptions, viz., Messrs.G.R.Josyer and K.T.Seshaiya. The former has sent a Memorial to His Highness the Maharaja for exemption. He has not forwarded an application in the prescribed form nor has he credited the fee to the treasury. The latter has sent an application without remitting the fee and without forwarding the necessary certificates. Hence these two names have not been included in List I.

4. About the candidates referred to in List II

Submitted to His Highness.

I submit herewith a list of graduate candidates who have applied for permission to appear for the ensuing Mysore Civil Service Examination of 1917. Of the 22 - candidates in the list, No.14 Mr.T.D.Ramaiya has applied for exemption from the prescribed age limit. The case of this and two other candidates who had preferred a similar request was considered in Council, who were of opinion that it was inexpedient to relax the rule of age limit prescribed for the examination (vide file separately submitted). The candidature of the remaining 21 may be graciously approved.

(Case No 148)

2. As the names of the approved candidates have to be published before the end of the month, the favour of early sanction is solicited.

3. It may be mentioned that 34 other applicants who have appeared for the B.A. examination of this year have also applied for admission. A separate note will be submitted about them after the results of the B.A. degree examination are announced.
